Composition of Pre-Admission Screenings for Teams

The purpose of this memorandum is to provide information regarding implementation of House Bill (HB) 890 passed by the 2014 Virginia General Assembly. This bill provides the Department of Medical Assistance Services (DMAS) with the authority to identify “other *Department-designated assessor*” to participate on the community-based preadmission screening (PAS) team as an alternative to a social worker, to conform with the requirements of Virginia Code §54.1-3709 restricting the use of the title “Social Worker”.

DMAS Actions

To carry out the requirement of HB 890, the following actions are occurring:

- Effective immediately, DMAS has defined “*or other Department-designated assessor*” to mean “qualified local department of social services employee” including family services specialists and others who have been trained to administer the Uniform Assessment Instrument (UAI) and conduct the preadmission screenings in their localities.
- DMAS will review and modify its Interagency Agreement with the Virginia Department of Social Services to reflect the DMAS designation of “*or other Department-designated assessor*.”
- DMAS will promulgate a Fast-Track regulatory change to make the designation described in the first bullet a permanent designation.
- Upon completion of the regulatory process, DMAS will update the Preadmission Screening Provider Manual to reflect the regulatory designation.

MANAGED CARE ORGANIZATIONS

Many Medicaid recipients are enrolled with one of the Department's contracted Managed Care Organizations (MCO). In order to be reimbursed for services provided to an MCO enrolled individual, providers must follow their respective contract with the MCO. The MCO may utilize different prior authorization, billing, and reimbursement guidelines than those described for Medicaid fee-for-service individuals. For more information, please contact the MCO directly. Additional information about the Medicaid MCO program can be found at http://www.dmas.virginia.gov/Content_pgs/mc-home.aspx.
